Terrific Win for the Pacific Hotel Cairns at the QHA Awards for Excellence – Superior Accommodation 2019

Pacific Hotel Cairns celebrated at the QHA Awards for Excellence last night in Brisbane, taking out the coveted Superior Accommodation accolade.

Enviably located on the Esplanade overlooking Trinity Harbour, the 4.5 Pacific Hotel Cairns conveys true Australian hospitality through the Pacific Groups 'Terrific Promise' – spotlighting the Hotel's friendly, relaxed vibe that flows through to the outstanding service provided by staff.

Reflecting on a year of highlights, Chief Operating Officer for the Pacific Group, David Chaplin, credits the win to the collaborative teamwork, thoughtful direction and location in the tropical paradise of Cairns for the win.

Alongside the 'Terrific Promise' being rolled out in 2019, the Pacific Hotel Cairns opened 31 brand new Tropical Luxe Rooms to indulge the luxury accommodation market. These lavish rooms present lush furnishings and spacious ensuites, with selected Premium rooms featuring double vanities and a two-person, free-standing bath.

The roots of the Hotel have always remained tied to Cairns since opening as the destinations first international hotel, providing a gateway to the Great Barrier Reef and local attractions. The Esplanade and vibrant restaurant scene is right on the doorstep, including the Hotel's Bushfire Flame Grill Restaurant – an iconic Brazilian style Churrasco experience that is as much a hit with locals as it is with guests.

Looking ahead, the team will continue to work together to create terrific moments for guests during their next tropical getaway to Cairns and promises a flaming great night out at Bushfire Flame Grill Restaurant.
